

CONTENTS

Bothalia 43,2

1. The Cape genus <i>Micranthus</i> (Iridaceae: Crocoideae), nomenclature and taxonomy. P. GOLDBLATT, J.C. MANNING and R.E. GEREAU	127
2. New taxa of <i>Hesperantha</i> (Iridaceae: Crocoideae) from the southern African winter rainfall region and a review of the <i>H. pilosa</i> complex. P. GOLDBLATT and J.C. MANNING . . .	145
3. Eight new species of <i>Moraea</i> (Iridaceae) from southern Africa with range extensions and morphological notes in the genus. P. GOLDBLATT and J.C. MANNING	153
4. FSA Contribution 22: Asteraceae: Calenduleae: <i>Garuleum</i> . N. SWELANKOMO	167
5. The native and naturalised species of <i>Peltocalathos</i> and <i>Ranunculus</i> (Ranunculaceae: Ranunculaceae) in southern Africa. J.C. MANNING and P. GOLDBLATT	179
6. A new infrageneric classification for <i>Mesembryanthemum</i> (Aizoaceae: Mesembryanthemoideae). C. KLAKE and P.V. BRUYNS.	197
7. Notes on African plants:	
Acanthaceae & Lamiaceae. Nomenclatural corrections in <i>Justicia</i> and <i>Leonotis</i> . J.C. MANNING	221
Asteraceae. <i>Senecio pseudolongifolius</i> , a new name for the misapplied <i>S. linifolius</i> . J. CALVO, J.C. MANNING, F. MUÑOZ GARMENDIA and C. AEDO	227
Fabaceae. A new species of <i>Lessertia</i> (Galegeae) from KwaZulu-Natal, South Africa. T. NKONKI, A.M. NGWENYA and B.-E. VAN WYK	222
Gentianaceae. The taxonomic and conservation status of <i>Sebaea fourcadei</i> . O. BALOYI, J.E. VICTOR and N. SWELANKOMO.	225
Geraniaceae. <i>Pelargonium pachypodium</i> (sect. <i>Otidia</i>), a new species from Northern Cape, South Africa. J.P. ROUX	230
Geraniaceae. Validating <i>Pelargonium</i> sect. <i>Reniformia</i> . J.P. ROUX.	233
Hyacinthaceae. Five new combinations in Ornithogaloideae in southern Africa and a recommendation for optional combinations in the subfamily. J.C. MANNING and P. GOLDBLATT	229
Iridaceae. A new species of <i>Hesperantha</i> from the Overberg, Western Cape, and observations on a novel mode for pollen transfer in the genus and family by a hesperid butterfly. P. GOLDBLATT, J.C. MANNING and O.E. CURTIS	211
Iridaceae. Taxonomic notes on <i>Aristea</i> (Aristeoideae) in tropical and eastern southern Africa. P. GOLDBLATT and J.C. MANNING	207
Isoëtaceae. <i>Isoëtes aemulans</i> , a new species from South Africa. J.P. ROUX	218
Polygalaceae. The reinstatement of <i>Polygala affinis</i> and the identity of <i>Polygala scabra</i> . E. FIGUEIREDO, J. PAIVA and G.F. SMITH	216
Santalaceae. The minor genera <i>Kunkeliella</i> and <i>Thesidium</i> included in <i>Thesium</i> . F. FOREST and J.C. MANNING.	214
8. South African National Biodiversity Institute: publications 1 January 2012 to 31 December 2012. Compiler: Y. STEENKAMP.	235
9. Guide for authors to <i>Bothalia</i>	241
